## About Islamabad Transport Agency

'Islamabad Transport Agency' is a leading transportation and logistics company with a rich history spanning almost 40 years. Starting with a modest land transport fleet and a humble vision within the trucking business, Islamabad Transport has now grown into a larger entity.

Since our establishment in Islamabad Transport's business activities have both widened and deepened in terms of transportation services. Today, our quest for excellence continues with our revamped brand identity, streamlined corporate structure, and new lines of services to cater to your transportation needs.

With operations throughout Bangladesh, we offer a full range of transport service solutions. By hiring and training the best people in the business and utilizing state-of-the arts tracking systems, we guarantee your shipment will reach its destination safely, reliably, and in the most cost-effective way possible while being respectful of the environment.

### Values

We strive to perform with unyielding commitment to Integrity, Honesty, Transparency, Creativity and Respect for All.

### Our Vision

Islamabad Group will be committed to deliver world class solutions through all its concern.

### Our Mission

To design, build and deliver flexible, integrated, best-in-class and cost effective logistics solutions.
